

Course: PMP® Certification

Contact Hours: 40

Pre-requisite: A secondary degree (high school diploma, associate's degree, or the global equivalent) with at least five years of project management experience, with 7,500 hours leading and directing projects and 35 hours of project management education.

Or

A four-year degree (bachelor's degree or the global equivalent) and at least three years of project management experience, with 4,500 hours leading and directing projects and 35 hours of project management education.

Abstract

The aim of this course is to prepare qualified participants to sit, with the intent of successfully passing, the PMP® examination.

This course will provide participants with knowledge of the Project Management Body of Knowledge (*PMBOK® Guide*, Sixth Edition), as well as supporting knowledge, skill practice, and a simulated mock exam towards the Project Management Professional (PMP)® certification exam.

Target Audience

Persons who are interested in pursuing the Project Management Professional (PMP)® Certification exam and others interested in acquiring knowledge of the (*PMBOK® Guide*).

Learning Outcomes

On completion of this course, learners will be able to:

1. Explain the fundamental concepts and principles of project management
2. Describe the 49 project management processes within the respective 10 knowledge areas as stated in the PMBOK® Guide, Sixth Edition
3. Solve simulated PMP® examination questions under exam-type conditions
4. Demonstrate skills in project planning using project management templates.
