1   COURSE OUTLINE

Course: CAPM Boot Camp

Contact Hours: 10 hours

(Mandatory) Pre-requisite: CAPM Intermediate Module

1.1   Abstract

Passing the CAPM Certification Exam can seem like a daunting task – the *PMBOK® Guide* (on which the exam is based) is notoriously difficult to read, and its sheer volume of content can be 'off-putting' to many certification candidates. Even those candidates who manage to cover the contents of the *PMBOK® Guide* often find themselves unprepared for the certification exam.

This course is intended to focus and boost your CAPM exam preparation efforts, and to significantly improve your chances of passing the exam on your first try!

In this course, CAPM candidates will get the opportunity to review and reinforce their knowledge of the *PMBOK® Guide* and, more importantly, to experience CAPM exam-style questions to better prepare them for the real CAPM exam.

1.2   Target Audience

Persons who have already completed the *CAPM Intermediate Module* and are preparing to sit the CAPM Certification Exam.

1.3   Learning Outcomes

Upon successful completion of this unit, CAPM certification candidates will be able to:

1. Understand the CAPM application process and testing procedures.

2. Review and reinforce their knowledge of the most recent edition of the *PMBOK® Guide.*

3. Apply knowledge of the *PMBOK® Guide* and examination strategy in answering realistic CAPM exam-style questions.

4. Significantly improve their chances of passing the CAPM Certification Exam on the first try!

1.4   Course Highlights

CAPM certification candidates will get extensive practice in answering realistic CAPM exam-style questions. They will have the opportunity to:

- Master the 49 *PMBOK® Guide* processes with exam-style questions focused on each project management knowledge area;

- Access sample/ 'mock' exam papers with CAPM exam-style questions, to better prepare them for the real exam;

- Get clear and in-depth answer explanations.
