CARICOM EDITION

"I chose the EBS Master's programme with SBGS because it was right for me, as a Professional. I did not have to compromise my job or my education and was able to have it all! The lecturers were supportive and accommodating to ensure that I was prepared for success not only to pass an exam but to upskill me for my job and life. My advice to anyone contemplating whether to do the EBS Master's program is 'just do it!' You would be so glad that you did!"

Exemptions

Edinburgh Business School recognises that some students entering our MBA or MSc programmes will have completed prior academic study in subjects that align closely to certain EBS courses.

Exemptions are considered only on the basis of qualifications which have been gained through formal examination. No consideration will be given for life/work experience.

Exemption from core subjects may be granted on the basis of bachelor level qualifications. Exemption from core and elective subjects may be granted on the basis of postgraduate level qualifications (except fully completed degrees) and professional qualifications.

Exemptions will not be awarded on the basis of courses which have been used towards the award of another degree at Masters level, whether this was awarded by Heriot-Watt or any other institution. For example a student who has gained an MSc in Accounting will not be given an exemption or credit transfer in Accounting from Edinburgh Business School's MBA or MSc degree programmes.

For further information on exemptions please visit ebs.exemptionenquiries@hw.ac.uk or contact us the Corporate Education Centre at masters@sbc.edu.tt

**MASTER
OF SCIENCE
(MSc)**

FINANCIAL MANAGEMENT

MSc FINANCIAL MANAGEMENT

This MSc has been designed to give financial professionals the ability to make a crucial contribution where it matters most in business: at the bottom line.

It provides a wide-ranging understanding of financial techniques and their application but does not require a high-level mathematical understanding of finance theories. You will engage in a specialist study of the key areas of: corporate finance; mergers; investments; derivatives; credit risk; and risk management. The knowledge you gain can be applied in very real practical ways.

Careers in the sector depend upon a strong understanding of the foundations and dynamic nature of finance and the vagaries of investment behaviour. The MSc will prepare the way for a career in a wide variety of positions within the finance profession.

Entry

The standard entry requirement for the MSc Financial Management is an undergraduate degree from a recognized institution. Alternatively, you will be admitted onto the MSc FM when you have passed three core subjects.

Course Content

To complete the MSc, you must successfully undertake nine (9) subjects consisting of five (5) core subjects and four (4) electives.

Core Subjects

Credit Risk Management
Derivatives

Financial Decision Making
Advanced Financial Decision Making

Financial Risk Management

Elective Subjects

Corporate Governance
Mergers and Acquisitions
Economics for Business

Quantitative Methods
Research Methods for Business
and Management

Developing and Executing Strategy
