

**FACT SHEET**

The **SBCS Certificate in Advanced Plumbing** is designed for persons wishing to enter the plumbing industry. This qualification forms the basis of knowledge for all modern domestic and commercial plumbing, and is therefore an excellent starting point for anyone seeking a career as a plumber.

This course will provide you with a range of plumbing installation skills by combining both practical and theoretical training. Some of the topics covered include common plumbing processes, cold water systems, domestic hot water systems, sanitation and drainage systems. Assessment is undertaken through a combination of practical assignments and written examinations.

**Duration**

This qualification can be completed in **one (1) year**. Intake is in October of each year.

**Pre-requisites**

There are no pre-requisites for this programme. However, basic knowledge in Mathematics will be an asset.

**Mode of Study**

Classes for this programme will be on evenings (5:30pm – 8:30pm) and will be offered at the **Champs Fleurs Campus and online**.

**Assessments**

This qualification will be assessed by a combination of written examinations and practical assignments.

To achieve the SBCS Certificate in Advanced Plumbing, learners must complete the following:

- **Plumbing Fundamentals**
- **Plumbing (Principles and Practice)**
